Let's do it right

Eastern Managers Unite!

Wickes approached Chelmsford 4 Good as they wanted to hold a team building event for their Eastern Region Store Managers within Chelmsford. A series of meetings were had and the business decided to decorate the interior of Age Concern Chelmsford. Wickes supplied all the materials and employee volunteers!

Wickes commented "The business had recently gone through a number of changes so the timing of the event was perfect. Chelmsford 4 Good did a great job organising the event and it was a brilliant team building day."

Chairman Age Concern Chelmsford said "I am most grateful to Chelmsford 4 Good's involvement in making it possible and it is certainly appreciated by all at Age Concern. My very grateful thanks for all you have done"
