Building the relationship

We met with representatives from Gallagher to explain about the work we do and how we are the right organisation to assist in securing opportunities for their Employee Volunteering scheme. Our work with an extensive range of charities and voluntary & community groups across Chelmsford makes us the perfect organisation to work with as we know which groups would greatly benefit from local business support.

Being proactive

Working with Gallagher on what exactly they wanted to do we came up with a few suggestions of the types of organisations that they might like to support and with their agreement we arranged to meet some. We are delighted to confirm that they have to date had two highly successful Employee Volunteering days as a direct consequence of our involvement namely:

- Our knowledge
- Locating the right group
- Accompanying them on an initial visit to see the group in action
- Carrying out a risk assessment for the day
- Keeping the charity and the company informed of developments
- Attending site inspections
- Being there at different times throughout the day of the activity
- Submitting a press release

Digging it!

They spent a whole day transforming one part of InterAct's Aspire Garden, a large area of weeds and debris, into a wonderful landscaped area. Under the watchful eye of Scott Downes, Volunteer and Project Lead from Writtle College over 250 plants and shrubs were planted. The Aspire Garden will be used to support and help with the development of young people and adults with special needs that Interact work with.

“The volunteers from Arthur J. Gallagher were fantastic we were delighted with the changes they'd been able to make and are really thankful for all their time and energy.” InterAct.

‘We had a fantastic day working with such a great charity. We were delighted with the opportunity to give something back to the local community and could see the visible difference we made as a team to the Aspire garden’. Gallagher

Painting 4 Success.... (on the day 180+ business hours were donated!)

On another occasion employees Gallagher spent the day decorating the interior of Age Concern Chelmsford's building, turning it in to a wonderful bright area in which the members of the lunch club are able to meet and enjoy a hearty meal.

“The volunteers from Arthur J. Gallagher were fantastic we were delighted with the transformation that they have made. Everywhere looks so much brighter and fresher – thank you” Age Concern Chelmsford.

‘We had a fantastic day working with such a great charity. We were delighted with the opportunity to give something back to the local community and could see the visible difference we made as a team’. Gallagher.
