

Building on Success!

Expo Crew Ltd is a small company based in Chelmsford who specialise in building sets and stages for the exhibition industry. They made contact with us as they wanted to give something back to the local community.

It was great to meet with this small and expanding business and it became clear from various discussions that they really needed and appreciated our assistance.

Having narrowed down exactly what the staff at Expo Crew wanted to do we accompanied them for a fascinating onsite inspection at the Widerness Foundation.

In the meantime the company had surplus tables and chairs from a previous project and using our channels of communication they went to City of Chelmsford Mencap who were delighted with the offering.

Watch out for exciting developments later in the year as to what Expo Crew Ltd has achieved!
