

## **Chelmsford Prison Visitors Centre gets a much deserved make-over**

Thanks to the hard work by staff from a local business Remus Management - a property management company the Centre now has a much more inviting and welcoming appearance. Remus Management staff recently spent two days tidying, cleaning painting and even purchased new children's play equipment for the Visitor Centre.

"We had a fantastic couple of days working at the Centre everyone enjoyed giving back to a local community group." Remus

"The volunteers from Remus were fantastic we were delighted with the transformation that they have made. The children's new play equipment play is amazing. Everywhere looks so much brighter and cleaner - thank you to everybody involved" Chelmsford Prison Visitor Centre.

***Over the course of the two days 114 business hours were donated!***

**The opportunity was brokered through Chelmsford Centre Supporting Voluntary Action's Chelmsford 4 Good project which has been created to get local residents and local businesses to get more involved with community projects.**
