

Fundraising for Chelmsford 4 Good

A small team from Chelmsford 4 Good spent six hours bag packing at M&S Chelmsford. Despite reservations from some of the team to start off with, these were quickly put to one side as everyone was so friendly. It was a truly fantastic day with great comradery with members of the public and M&S staff. The till staff were delighted to have this extra

help and the bag packers thoroughly enjoyed doing their stint for this worthy local cause. Members of the public were most generous in their donations and enjoyed hearing more about the project.

"I thoroughly enjoyed the day meeting people from all walks of life and would definitely do it again"

On **Tuesday 2 December** we will be bag packing once again as M&S Chelmsford from 8 am until 6pm. Please do come along, show your support for Chelmsford 4 Good and we will be delighted to help you at checkout!
